HealthMate is the **No1 Infrared Sauna Worldwide!**

In fact they are the pioneers of Infrared Saunas, manufacturing since 1979.

They have a huge factory with incredible quality control PLUS they are the **ONLY** sauna company to mill their own timber...in Canada.

Beautifully constructed of either 1st Grade Cedar (Premium Range) or 1st grade (Alaskan Pine) Spruce (5 types of wood trialed over **1 yr** with **1 Winner**), you will feel satisfied knowing you have the best.

With over 50% of the USA for 2004 PLUS *the choice* at the Olympic Games.

David Tua, the nutritionalist for the ALL BLACK's and one good looking winger with a silver fern on his chest, Plus a stack of equally talented Australians all own HealthMate.

HealthMate is the **choice of champions!**

Imagine, in 15 minutes (warm up time) you can escape to the tropical heat of your own infrared sauna, whilst enjoying all the health benefits of increased cardio function, massive Detox (from the nasties we are exposed to daily), burn heaps of calories and just fantastic for your body with possible relief from aches and pains, arthritis and skin conditions.
